Bloom Consulting

Internship position – Technical Analyst

Madrid, 2013

Internship description

We are currently seeking to recruit an Intern to join Bloom Consulting in Madrid, Spain, as a **Technical Analyst**. The Technical Analyst should be a bachelor or master student (or graduated) with a Business, Engineering or Economics degree background.

Job description

The main role for the Technical Analyst position is to help and support project managers in internal and external projects. The tasks may require:

- Responsibility for specific tasks and projects that will involve preparing, maintaining and administrating corporate documents as well as monitoring and reporting results to the top management.
- Process Excel figures, tools and conducting calculations; developing analysis and construction of financial metrics.
- Gathering, collecting, analysing, and reporting different types of data.
- Conducting research which will include consulting external sources, elaborating surveys, performing interviews, reviewing publications and browsing the Internet for data sources and information.

Role	Deadline for application	Internship starting date	Placement period
Technical Analyst	30 st April 2013	July-August-2013	September 3-6 months

Skills

- Entrepreneurship mindset to approach projects and tasks.
- Ability to use own initiative and proactive approach.
- Accountability, enthusiasm and number oriented thinking.
- A good working knowledge of Microsoft Office Word, Excel and PowerPoint packages.
- Knowledge of VBA Macros valued.
- Fluent at speaking, reading and writing in English.
- Organizational skills, with a proven ability to meet deadlines and give attention to detail.
- Ability to work as part of a team and also as an individual.

NOTE:

You should bring your own laptop with Microsoft office programs (Excel, Word, PowerPoint). Internship is not remunerated.

How to apply:

Send an email to analysis@bloom-consulting.com with a CV and **Cover Letter** attached.
